December 5, 2018 Christmas Golf Cart Parade 5:00 p.m.

Each year, the parade route brings the fun to Keats Avenue. So why not have a parade watching party for all Garden Condo owners and visitors.

Since the parade does not go down Kiva, Zinnia or Keats Private streets, Units 368 & 369, at no extra cost, are offering their driveway and garages for all to gather, socialize and enjoy the parade. Let us begin at 5:00 and prepare for the parade together. Bring your chair, favorite beverage and share the season!

The Parade begins and ends outside of the auditorium and includes the Desert Ridge High School Band. If that's not enough cheer for you, join the parade carts for a variety of entertainment with hot chocolate & cookies after the parade in the auditorium. Look for the complete parade route in this month's Outlook.

Remember also to donate to "Hank's Bikes for Kids" charity. Each year our resident tennis pro Hank, provides hundreds of new bikes to kids in need. It will touch your heart!

Di Klein will accept any donations at the driveway party. Assistance in delivering bikes is always appreciated.
