

Quick Neighborhood Bits You Should Know

New Website Address! SVE-GC3.com

Election Results

A big thank you to all who voted in the 2018 election process. Especially those taking advantage of the on-line voting option.

Sally Miles will continue as our stellar secretary, and John Gleason joins the main board. Jim Cassidy will act as board advisor.

Community Social Event

The 2018 main social event was a wonderful success for the community. Don't miss it in 2019!

Bring Chairs and a Donation Please

Keats Avenue Area Potluck

St Patty's Day

March 17, 2018 2:00pm

Bring a shared dish and a Donation

Preparing to Leave?

Consider preparing your winter home for those just in case situations. We all turn off the water at the main unit valve, but remember to turn off the water line to the water heater, open the inside taps to drain residual water, then flip the water heater electrical breaker off.

Social Volunteers Needed!

Recycling Bins

This time of year we find many who do not use the recycling bins properly.

These are not for garbage or construction trash! Either break down boxes completely or take them to the main HOA dumpsters.

Overnight Parking

Consult your Rules and Regulations. Overnight parking in driveways is not allowed. Park on the street or preferably, in one of the community overflow parking lots.

Violations will be issued!

Insurance Coverage

Be sure to check with your personal Insurance agent for the proper coverage. The GC3 Insurance information is available on the Community Website:

www.sve-gc3.com

Maintenance Projects

Roofing is completing the last four buildings now!

Storage Shed repairs are continuing through the summer.

Foundation Repairs will start this summer.
